The 23rd Annual General Body Meeting of Karnataka Posts and Telecommunications Pensioners' Association was held on 9-9-2018 at the newly constructed 'Pensioners' Bhavan Annexe' in Telecom Layout, Bengaluru simultaneously with the opening of the new annexe to Pensioners' Bhavan.

Morning Session:

The Morning Session of the General Body Meeting started at 9.30 AM. Shri G.Babu President of the Association conducted the proceedings. Shri K.B.Krishna Rao, Secretary, welcomed the gathering.

2. The Secretary presented the minutes of the last AGB held on 17.6.2017, which had been published in the June 2017 issue of *Pensioners' Champion*. The minutes were confirmed.

3. Annual report for 2017-18 published in the July 2018 issue of *Pensioners' Champion* was placed for consideration and adoption by the House. Due to paucity of time, the Secretary read out the salient features and explained some of the points mentioned in the report and the report was adopted.

4. The Treasurer, Sri K R Anantha Ramu presented the audited Annual Accounts for 2017-18. Audited Accounts were published in June 2018 issue of the journal. The Secretary informed the House that there were some changes in the Annual Accounts published in the journal and explained that the values of the land and building, both new and old, have been indicated separately in the Balance Sheet to arrive at the correct amount of depreciation on building and consequent changes have also been made in the Income and Expenditure Accounts. Copies of the revised audited statement of accounts were made available to the members in the AGB. The General Body adopted the annual accounts unanimously.

5. Ten meritorious students of Government Higher Primary School, Yelahanka, Bengaluru were awarded with a cash prize of Rs.1000 each for having secured the first three places in 5th, 6th and 7th standards along with one prize for the highest marks scored in Kannada language in 7th Standard. The envelopes containing the cash were given away by the President Shri Babu. The Secretary announced that the prize amount of Rs.10000/- was donated by Shri H.V.Ramanatha and Shri H Sathyanarayana (Rs.5000 each), with a request that the amount should be utilised only for charitable and educational purposes.

Open Session:

6. The open session of the General Body started at 10.30 a.m. President Shri Babu, invited the Chief Guest Shri K.K.N.Kutty , President, Confederation of Central Government Employees & Workers and Secretary General, National Coordination Committee of Pensioners' Associations, New Delhi and the Guests of Honour Dr Charles Lobo, IPS, Chief Postmaster General, Karnataka Circle & Shri R.Mani, ITS, Chief General Manager, Karnataka Telecom Circle to occupy the chairs on the dais. He also invited the three Permanent Advisors Shri B.Sadashiva Rao, Shri N.Bhaskaran and Shri M.Ramiah to the dais.

7. Shri K.B.Krishna Rao, Secretary welcomed the gathering to the open session and announced that, the new building 'Annexe to Pensioners' Bhavan' would be declared open jointly by Sri. B.Sadashiva Rao, IPS(Retd), founder President of the Association and Sri N.Bhaskaran, founder Secretary & veteran P&T trade union leader. He explained how the new building came into being. The vacant site in front of the existing 'Pensioners' Bhavan' was allotted to KP&TPA in 2015 and a decision

to build an annexe was taken in 2016. A 'Building Fund' was created in 2016 and, through appeals in the *Pensioners' Champion*, donation was collected. The foundation stone was laid by Shri Babu in the last Annual General Body meeting on 17.6.2017 in the presence of Dr Charles Lobo, CPMG. The Ground-breaking ceremony was held on 27.8.2017 and the construction started in December 2017. The Secretary expressed gratitude to Shri G.Babu for helping the Association in getting the site allotted, fixing the Architect and the Contractor. He said that the new building has two floors. The ground floor has parking, caretaker quarters, pantry and rest rooms for men and women. The first floor has a hall for holding monthly Executive Committee Meeting, office room, pantry and rest room for men and women. He said that it is our dream to build an Auditorium on the second floor and to have a lift, for which space is already provided. He thanked all those who have donated to the building fund. He made a special mention of Shri S.M.Vittal Rao for working hard to mobilize funds in spite of his advanced age.

8. Shri Krishna Rao briefly introduced the two stalwarts, who built the Association from the scratch with a few like-minded friends in 1994. Shri Sadashiva Rao, a retired IPS officer, had earned a name for his efficiency and knowledge of departmental rules while in service. After retirement, he headed the Association as its President for 2 decades. He drafted the memorandum submitted to the 6th CPC, which was accepted by Pensioners' Associations at the national level and submitted to the CPC. Shri N.Bhaskaran is chiefly responsible for formation of this Association. While in service, he held many positions in RMS and retired as Head Record Officer. Having entered the Department in 1951, he took part in P&T Trade Union movement and was elected as the first Circle Secretary of All India RMS and MMS Employees Union Class III, Karnataka Circle in the year 1960 and continued till 1972. He

lead and participated in the two historic general strikes, one in 1960 and the other in 1968, for which he was kept under suspension for a period of 3 months and 14 months respectively. However, later in the year 1986, the Department of posts, that had punished him for leading employees strikes, honoured him by conferring on him the prestigious 'DakSeva Award' for his exemplary services in the Department. He also founded the 'Coordination Committee of Central Government Pensioners' Associations, Karnataka', which has now 29 affiliates. It is his determination to have an own building for the Association, which resulted in construction of 'Pensioners' Bhavan' in 2013, a distinction achieved only by KP&TPA so far. It was built entirely by the donation made by members and well-wishers and now also, the present construction is made possible by donations. 'Compendium on Pension, CGHS and Medical Facilities for Central Government and BSNL Pensioners' with 8 editions and 'Pensioners' Champion', a monthly journal, are two of his other achievements during his tenure as KP&TPA Secretary from 1994-2014. Shri Krishna Rao said that, for this reason, the Executive Committee decided to confer the honour of opening of the new building on these two great achievers. He announced that Shri M.Ramiah, former Vice President and Permanent Advisor, who was the first to offer donation of Rs.50,000/- to the building fund, has now donated another Rs.51,010 and that his total donation is Rs.1,01,010/-.

9. The congregation then moved to the front of the new building. Shri Sadashiva Rao and Shri N.Bhaskaran jointly unveiled the inauguration stone and declared the building open by cutting the tape in the august presence of Dr Charles Lobo, CPMG and Sri R.Mani, CGMT. Presence of Shri D.Balasubramanian, General Secretary, All India Federation of Pensioners' Associations, Chennai added more colour to the opening ceremony. Shri Balasubramanian felicitated S/s Sadashiva

Rao, Bhaskaran and Krishna Rao in appreciation of their services to the Pensioners. Back on the dais, Shri N.Bhaskaran was honoured by Shri K K N Kutty. Smt. and Shri B.Sadashiva Rao were honoured by Shri R.Mani, CGMT. Shri M.Ramiah was honoured by Shri Babu. Shri Sadashiva Rao, and Shri Bhaskaran spoke briefly, congratulating the Association for this remarkable achievement and thanking for inviting them to open the building. Shri Bhaskaran complimented Shri Krishna Rao, for functioning efficiently since 4 years after taking over as the Secretary from him. Shri Ramiah said that he was very happy to be present on the occasion and said that an auditorium must also be built in the 2nd floor of the new building. He announced that he would again donate one lakh rupees for construction of the auditorium. Shri Vittal Rao's role in the construction of the building in 2012 and now in 2018 was praised by all the 3 advisors to the association. Shri C Murthy, Contractor and Sri Chitravelu, Mason were honoured by the President Shri Babu.

10. Shri Krishna Rao briefly introduced the Chief Guest, Shri K.K.N.Kutty as a veteran trade union movement leader, who now is the Secretary General of NCCPA, standing committee member of the JCM and President of the Confederation of CG Employees and Workers. He also introduced Dr.Charles Lobo, the Chief PMG and Shri R.Mani, Chief GMT. He said that, as most of our members are pensioners of Postal and BSNL/DoT Departments, both heads of Circles, Postal and Telecom, were invited as the Guests of Honour. He thanked both the officers for taking special interest in settling the 7th CPC pension revision cases in their respective Circles.

11. Shri K.K.N.Kutty, the Chief Guest, inaugurated the open session and delivered his speech. He complimented the Association for having own building. He said that it is the desire of everybody to own a house. The fact

that the entire cost of construction of the building is met from donations by the members shows the trust and respect achieved by the Association. It is the duty of the society in general and the government to look after all senior citizens and ensure that they live with dignity. He said that, while he was happy to take part in the big achievement, we all should protect the next generation. When the New Pension Scheme was introduced with effect from 1.1.2004, many of the employees thought that it was a better scheme and supported it. As such, we could not mobilise enough strength to fight it then. But, they are now realizing their mistake. The IPS Association has submitted a memorandum, which denotes the difference of pension drawn under the old and new pension schemes. A pensioner, who had joined service in 2003 would get more pension (3 times) than the one who joined service in 2004 . The dissatisfaction of the employees is such that, 3 months back, by mere SMS, they could mobilize more than one lakh people for staging protest in Delhi. He wondered whether there would be any pensioners' Association in existence after 20 years from now with the National Pension System in force. He also spoke about GST, saying that it is not as good or as simple as depicted in the media by the Government. Major revenue of the central government is from indirect taxes. In 1998-99, direct taxes were 60% and now it is reduced to less than 50%. Indirect taxes are levied on every human being in the country irrespective of his income. Pro-people policy is the characteristic of a good society and, unfortunately in India, the successive governments for the past 20 years, irrespective of the political parties in power, have done little to improve the situation.

12. Continuing with his speech, Com Kutty said that NCCPA is fighting for 2 major issues option 1, as recommended by 7th CPC and MACP. After 7th CPC, 'OROP' was introduced for defence pensioners but in a diluted form,

and they are still agitating for it. For civilian pensioners, option 1 was recommended by 7th CPC, which would have ensured complete parity. NCCPA submitted to the 7th CPC the Memorandum drafted in consultation with Pensioners' Associations without any change. After umpteen discussions, committee to examine the feasibility of implementation of recommendation of the CPC on option 1 was constituted with the Secretary of Dept of Pension as its Chairman. But the committee modified the recommendation on the plea that records are not available in respect of 14% of the pensioners and it would lead to anomalies. He said that this argument is not tenable as anomalies would always arise. Even now, 58 anomalies are pointed out. When 86% of the records are available, it should be possible to implement the original recommendation. Therefore, the fight for implementation of option one is continuing.

13. As for MACP scheme, introduced with effect from 1.9.2008, he said that it should be given effect to from 1.1.2006 itself, as the scheme was as per recommendation of 6th CPC. Supreme Court order on MACP has been implemented in respect of Defence Services. He said that a massive 'Dharna' is being organized in New Delhi in December this year, agitating for, among others, these two demands. He requested the Pensioners Associations to support the same. He concluded his speech by thanking the Association for inviting him to be the Chief Guest. Shri Krishna Rao thanked him for his inspiring speech and assured him of our continued support in the agitation. Shri Kutty was felicitated by Shri Bhaskaran.

14. Dr.Lobo, CPMG, in his speech, congratulated KP&TPA for completing construction of the beautiful building within 9 -10 months. He recalled that he was present when the foundation stone was laid by Sri Babu. He invited the pensioner community to approach him for any help. He said that recently, a sum of Rs.1 lakh was donated to

'Kodagu Flood Relief' by Postal employees. He said that Karnataka Postal Circle has established 'Gramina DakSevak (GDS) Relief Fund' with donations received from regular employees. The fund is used to give financial assistance to GDS employee in distress. He requested the pensioners to contribute generously to the said Fund. He was honoured by Shri Kutty.

15. Shri R.Mani, CGMT also congratulated KP&TPA for the new building and the pensioners for donating to the fund and making it possible. He said that pensioner community is increasing. By 2022, 50% of the staff in BSNL would have retired. He thanked the Association for inviting him to the meeting and wished all the pensioners happy and healthy life. He was felicitated by Shri Sadashiva Rao.

16. S/s A.G.Doresway, S.M.Vittal Rao, N.Ramaiah, M.N.Shankar and M.Ramiah who had donated Rs. One lakh and more to the building fund were felicitated by the Chief Guest, CGMT and the President. Shri M.Ramiah spoke briefly on behalf of the honoured.

17. Sri Peraiah , Secretary & Sri N V Rao, Treasurer, All India Postal and RMS Pensioners Association, Ongole division, Andhra Pradesh felicitated Sri Krishna Rao, Secretary KP&TPA. Sri Peraiah in his speech congratulated the Association on construction of Pensioners' Bhavan and thanked the Secretary for his advice on several issues concerning pensioner members of AIPRPA, Ongole.

18. Senior members, who are 75 years and older, were felicitated. There were a total of 106 members, but 44 attended the function. They were felicitated by Shri Kutty, Shri Babu, Shri Sadashiva Rao, Shri Bhaskaran, Shri Ramiah, Sri MN Gopinath, Sri C S Karanth and Sri Krishna Rao. Each of them was garlanded and presented with shawl and a fruit basket.

19. Shri H.S. Achyuta and Smt. Rama, printers, who have been extremely cooperative in ensuring timely printing and mailing of the journal, were felicitated on the occasion.

20. Shri V.Gopal, Joint Secretary proposed vote of thanks. Lunch was arranged. Members were requested to be present at 2.30 PM for the afternoon session.

Afternoon Session:

21. Shri Krishna Rao, Secretary, welcomed the members to the afternoon session (subjects committee meeting) at 2.30 PM. As soon as the members reassembled after lunch, Shri S.M.Vittal Rao, Ex-Treasurer and Internal Auditor, congratulated the office bearers of the Association in building the annexe and presented them with shawls. Shri Krishna Rao thanked him and said that he himself deserved the recognition more than anybody else.

22. There were three agenda items-discussion on 7th CPC, CGHS and CS (MA) Rules and revision of rate of subscription for the journal *Pensioners' Champion*. On 7th CPC, Shri Krishna Rao said that implementation of OM dated 12-5-2017 on revision of pension and payment of arrears has been completed in almost all departments. But some cases of family pension are pending for want of records. Crediting the arrears in some banks is delayed. An officer of SBI attended CCCGPA meeting on 4.8.2018, who assured that he would pursue the pending cases brought to his notice. On grant of grade pay of Rs.4600 to pre-2006 pensioners retired in grade S-12, he said that the association has information received through reliable source that the govt is likely to agree to the demand. Regarding re-fixation of pension at 50% of the last pay drawn instead of average emoluments for pre-2006 pensioners, he said that the association addressed the Dept of Pension in March 2018

for inclusion of the subject in the agenda items for discussion in the 30th meeting of SCOVA, but they were not accepted. However, he said that this issue with other pending issues will be pursued by the Association.

23. Regarding CGHS, Shri Krishna Rao explained some of the pensioner friendly orders implemented by CGHS recently. He explained the procedure in obtaining the OPD treatment from CGHS empanelled private hospitals and answered queries raised by the members of audience.

24. Shri Krishna Rao explained that, with the cost of printing going up, it has become extremely difficult to manage bringing out the Association's popular journal *Pensioners' Champion* with the present rates of subscription. He, therefore, said that the Association is left with no choice but to propose an increase in rates of yearly subscription for the journal, however keeping the increase at the minimum. After discussion it was unanimously decided to increase the rates of subscription from the present Rs.120 to Rs.150 for members and from Rs.150 to Rs.200 for non-member subscribers to take effect from 1-10-2018.

25. Shri G.babu, in his concluding remarks said that the open session was attended by about 450 people and that the meeting was a grand success. He also announced that 17 new members were enrolled in the meeting. Approximately, Rs.2,70,000 was received as donation for the building fund and about Rs.19,000 for renewal of subscription on the day. The members cheered the announcement. He thanked not only EC members, but all, who have volunteered towards making the AGB a grand success. He dedicated the beautiful new building to the welfare of all pensioners.

26. Shri V.Gopal, Joint Secretary proposed vote of thanks. The session concluded at 4.00 PM with National Anthem.

Greetings from invitees

I am extremely thankful for your kind invitation for attending the opening of the annexe of Pensioners Bhavan. It is a great landmark to have a Pensioners Bhavan and adding an annexe to it. Karnataka P&T Pensioners Association is doing a great service under your able leadership. Unfortunately due to preoccupations I may not be able to attend personally and our representatives will participate. I personally thank you for the invitation and wish you all success

G.Natarjan, Genl Secretary, AIBSNLPWA, Chennai

It fills our heart with unspeakable joy at how assiduously; the association has been able to build Annexe exclusively for purpose of carrying out activities of the pensioner association. The constraint of space were creating hurdles in the smooth functioning of the association and with the Annexe being ready for inauguration, the infrastructural deficiency is over. Building the Annexe by overcoming formidable barrier of straitened circumstances is all the more praiseworthy put forth by the members of the entire executive committee of the association which is commendable.

Accolades need to be bestowed on the members of the association for such an extraordinary achievement. This is also an Exhilarating experience for the pensioners who having given the best part of their life to the service of the nation, generally forsaken and no cognisance taken of their contribution by the ruling parties and successive governments. For which the entire community of pensioners should be united under one umbrella that is NCCPA which CGPA Rajasthan, Jaipur and Karnataka Post and Telecommunication Pensioners Association are the active members.

I on behalf of the association of the entire membership again congratulate you for this formidable task of building Pensioners Bhavan in India.

Kindly convey our heartiest greetings to all the members who have contributed a lot of pensioner Bhavan.

About 500 were present to grace the occasion.

We express our gratitude to our Members, Subscribers for the Journal and well wishers, which include children of our members, who so generously contributed to the building fund.

The donations received so far amounts to Rs.60 lakh. But, **we still need help** from all since the final bill likely to be presented by the Contractor will have to be paid. Though provision for a lift has been made, it could not be installed for want of funds. Our ambition of constructing an auditorium in the second floor for holding annual general body meetings remains unfulfilled.

We are constrained to reiterate our appeal for liberal donations from Members and Subscribers, who have not yet remitted their contribution to the fund. 25th List of donors is published in this issue.

Members who have donated less than Rs.2000, the minimum amount of donation that we had appealed for, may please remit additional amount to increase their contribution to at least Rs.2,000. Those who have donated above Rs 5,000 but less than 10,000 and above Rs.10,000 but less than 25,000 may please consider increasing their donation to Rs.10,000 & Rs.25,000 respectively, so that their names may be included in the boards

Income Tax exemption: 50% of the amount of donation made to K P&TPA, is eligible for deduction in the Gross total Income under Section 80-G of Income Tax Act.

Donation to be remitted by ***crossed cheque*** payable to

Best wishes for the house warming ceremony and the AGB to conclude with a grand success

Remarkable work done under the guidance of S/s Sadashiva Rao, Bhaskaran, Ramiah and Vittal Rao cannot be forgotten and the hard work of Krishna Rao in completion of construction of the new building and in publishing of the journal Pensioners' Champion shall always be cherished. Generosity of Sri G Babu, President, helped the association in owning two beautiful buildings named 'Pensioners Bhavan'. Thanks to all for their contributions to the cause of service to pensioners.

My sincere 'pranams' to all those who participated in "Swachhta Hi Seva" campaign. The pictures clearly show that how seriously the participants have taken the issue in these days when usually such activities are done symbolically for publicity. My illustrious friends have shown what it means to perform what they meant which clearly establishes that they shunned any publicity.

My greetings to the big events of Opening of Pensioners' Bhavan and the 23rd AGB
on 9-9-2018

What a dedicated service Sir ! Hats off to your team

Congratulations for conducting the annual meeting of our association in a befitting manner.
Good team work.

‘Swachhta Hi Seva’ 2018

KP&TPA was one of the nine pensioners’ associations in the country identified by the Department of Pension and Pensioners’ Welfare for participation in ‘Swachhta Hi Seva 2018’ the campaign on creating awareness on cleanliness. The flagship programme of the government of India is observed across the country from 15-9-2018 till 2-10-2018 and will end on Mahatma Gandhi’s birthday.

In compliance of the instructions contained in DoP&PW letter dated 6th September 2018 addressed to our association, we organised activities on cleaning of streets and drains in the 1st Main Road of Telecom Layout, off Bengaluru International Airport Road, Bengaluru 560064, the area in which our association’s own building ‘Pensioners’ Bhavan’ is situated.

Members of the Executive Committee of the association, including the Secretary, Jt. Secretary, Treasurer and other members participated in the swachhta campaign. Support of the residents’ welfare association of the area was also sought which resulted in many members of the welfare association and some

residents too volunteering to join the swachhta activities by offering their ‘Shramadan Seva’.

The activities Cleaning of streets and drains commenced at 9.30 a.m. on Saturday the 15th September 2018 and ended at 12.30.p.m. The entire stretch of the 1st Main Road of Telecom Layout, which measures about one k.m.in length, was cleaned by more than 35 volunteers.

As a part of creating awareness among the members of the public in keeping their surroundings clean, some shop keepers on the main road were requested to provide waste disposal bins near their shops to facilitate discarding of empty sachets, used bottles & cups, cigarette stubs etc., as it was seen that several such used materials were strewn all around the place. Members of the public near the shops were also advised not to litter around shops but use the waste disposal bins provided, which was well received by them.

The cleanliness activities undertaken by the volunteers by their ‘Shrama daana seva’ was clearly meant to actually sweep the entire stretch of the Main Road clean without just indulging in a symbolic act for the sake of publicity.
