No amendments to minutes have been received. If house approves, minutes can be taken as approved. The House unanimously approved the Minutes.

3. Annual Report and Audited Statement of Accounts for the year 2024-25

General Secretary placing the annual report highlighted about certain important subjects mentioned in the report. Mentioning about "Validation of the CCS(Pension) Rules and Principles for Expenditure on Pension Liabilities" which was passed by the Parliament on 29/3/2025 as part of the Finance Act 2025, he stated that through this amendment the Government has annulled the spirit of Judgement by a Constitution Bench of the Supreme Court passed on 17/8/1982 popularly known as Nakara Judgment & hailed as the "Magna Carta" of pensioners.

He explained in detail what led to the Nakara case and its impact on the recommendations of fourth, fifth, sixth and seventh Pay Commissions. However, whatever was achieved through the Nakara Judgement has now been taken away because of the validation clause which has given powers to the Government to categorise pensioners as per the date of their retirement. Though in the virtual meeting held by the Secretary DOP&PW, attended by the representatives of many Pensioners' Associations, the Secretary DOP&PW assured that the validation of Pension Rules would not have adverse effect on the

pension of the existing pensioners, he did not clarify the issue in writing as promised by him in the meeting.

Hence the Pensioners Associations had a detailed discussion and chalked out a plan of action in this regard to bring pressure on the Government to withdraw the validation clauses. The NCCPA gave a call for holding Demonstrations all over the country on 3.4.2025. In Karnataka, Bangalore, due to non-availability of a venue on 3.4.2025, the CCCGPA, Karnataka, conducted the demonstrations on 4/4/2025 at Freedom Park. The affiliate associations of CCCGPA Karnataka and other Pensioners' Associations participated, which was attended by about 500 pensioners.

He further stated that a Forum of Civil Pensioners' Assns (FCPA) was formed under the NCCPA leadership and it was decided to file a Writ Petition in the Supreme Court alongside agitation programmes to oppose the validation of pension rules. A call was also given to the associations to raise donations and a legal fund was created by NCCPA- CHQ. Appeal for liberal donations from pensioners was made to help meet the Supreme Court expenses. Further, All-India programmes were chalked out - one, being a "human chain" by pensioners in various districts on 25.7.2025 and a convention and submission of memorandum to the Governor between August 24th and 28th and a pensioners rally on October 10th at New Delhi.

Karnataka units of Pensioners Associations in the Forum of Civil Pensioners Associations in a virtual meeting held on 19.7.2025, decided to implement all the programmes given by the Forum under the banner of CCCGPA. Considering the restrictions on holding the rallies on the roads in Bangalore, a human chain programme was conducted on 25.7.2025 within the premises of the old CTO building, Rajabhavan Road, Bengaluru. Around 300 pensioners from the affiliates of the Forum participated in the Human Chain programme demanding Withdrawal of the validation of

pension rules, Constitution of 8th CPC and release of the terms of reference and Inclusion of revision of pension of BSNL and autonomous bodies pensioners in the terms of reference of 8th CPC.

As the Chief Guest arrived, it was decided to continue the discussions later and inaugural session was commenced.

Inaugural Session

President, Com. Krishna Rao, welcomed Chief Guest Com. D. Balasubramanian, General. Secretary, All India Federation of Pensioners' Associations warmly saying that he had been leading Pensioners for decades. He further added that it was for the first time that Com Balasubramanian was addressing the CCCGPA Karnataka, but he had earlier in 2018, was the Guest of Honour in the opening ceremony of Pensioners' Bhavan, the building constructed by Karnataka P&T Pensioners Association in Telecom Layout, Bengaluru, an occasion to cherish. Sri Rao requested Com Radhakrishna to introduce Com. Balasubramanian to the House and formally welcome the Chief Guest.

Com. Radhakrishna, while extending a warm welcome to Com. Balasubramanian, recollected that he had taken over the post of President of All India Audit & Accounts Officers Association (IA&AD) from Com Balasubramanian in the year 2006. He mentioned the activities of Com. Balasubramanian and stated that he was a front line leader of IA&AD employees movement in Chennai and was victimised many times for leading various agitations. He highlighted his present role in the Pensioners' movement in Chennai and at the national level.

He informed Com. Balasubramanian that the CCCGPA Karnataka was formed in the year 1998 under the leadership of Com. N. Bhaskaran as the General Secretary and Com. Sadashiva Rao as Chairman and has 32 affiliate organisations. He further mentioned that CCCGPA is working in close

coordination with state unit of Confederation of CGEs on common issues confronting pensioners and employees.

Com. Radhakrishna assured that the CCCGPA Karnataka will implement all the calls of the Forum of Civil Pensioners' Associations and the NCCPA. Thereafter, Com. Krishna Rao, welcomed all the members to the meeting and requested the Chief Guest to inaugurate the General Body meeting.

Inauguration by Com. D. Balasubramanian, Gen. Secy., AIFPA, Chennai

In his inaugural address, the Chief Guest Com. D. Balasubramanian mentioned that the All Indian Pensioners' Association of Chennai was 46 years old. He talked about the close connection and interactions between the Pensioners' Association of Chennai and Karnataka. He paid tributes to Com SC Mahaeshwari Secretary General of BPS who expired recently. He shared his opinion that the main problems of older people is that there is no one to take care of them and they face loneliness. He said that the Pensioners' Associations take care of the welfare of the elders. In Chennai, they organise meetings once in a month without fail. He thanked Com. Krishna Rao for the opportunity given to attend and inaugurate the GB of CCCGPA.

Speaking of the current issues, he mentioned about the delay in constitution of the 8th Pay Commission though it was announced by the Government on 16.01.2025. While recalling the role of late Com. SK Vyas, in preparing the memorandum for submission to the Pay Commissions and late Com. Kutty carrying out the legacy, he requested Com. Radhakrishna to find time for preparation and submission of a memorandum to the Pay Commission.

He informed that in the Standing Committee of Voluntary Agencies (SCOVA) meeting, the AIFPA had brought up the issue of the validation of pension rules as a part of the Finance Bill and its effect on the

pensioners. The Secretary, DOP&PW, had assured that there will not be any effect on the existing pensioners. However, the minutes of that meeting was not given though the same was asked for.

He mentioned the two court cases which are pending disposal. He explained in detail the implications of the effect of the Validation of Pension Rules. He mentioned about the decision that the Pensioners' Association of all states are to send a memorandum to the Govt. of India, through the Governors, requesting withdrawal of the Validation of Pension Rules.

He said that the apprehension is that the benefits of the 8th Pay Commission may not be extended to those who retired before 2025 and hence the decision of the Forum of Civil Pensioners Associations to take legal action for which Shri Kapil Sibal, Senior Advocate was approached.

He said that the human chain agitation programme gave a rousing voice to the demand to withdraw the 2025 Act and mentioned that the vibrating voice was raised throughout the country. He talked about the demand from the Associations side to restore the old pension scheme which was changed to NPS from 2004.

He cautioned the serving employees to not have the illusion that they are safe but to fight for their rights as the position of their pension is scary.

He appreciated Karnataka Posts and Telecommunications Assn in taking the lead in generating the maximum number of Digital Life Certificates for the needy pensioners. He added that the P&T organisations are noted for their bravery and trademark of fighting injustice. Regarding BPS joining the legal action, he said that he would try to convince those who did not see the reality. He concluded that we should learn the lessons of the past and fight for the retired, present and future working together with both State and Central Govt pensioners' against injustice. We should strengthen the Movement and see that the Govts' motives are defeated.

In response to the Chief Guest's address, Com Radhakrishna said that the CCCGPA affiliates also include Kendriya Vidyalaya pensioners association and autonomous bodies pensioners association. EPF pensioners' Association, Akhila Karnataka Akashwani and Doordarshan Pensioners' Assn got newly affiliated to the CCCGPA, Karnataka. He thanked Com. Balasubramanian for his inspiring talk.

Com. Krishna Rao also thanked the Chief Guest for his specific mention of the role of KPTPA in generating the Digital Life Certificates.

The Gen. Secretary's report was taken as read and was approved unanimously.

3.1. Annual Accounts

Com. S. Krishnamurthy, Treasurer, presented the accounts statement to the GB and read out the same which was passed unanimously. He mentioned that many of the affiliates had not paid the annual subscription which had caused shortage of funds for the functioning of CCCGPA Karnataka. He requested for individual donations which would also be appreciated.

With regard to the financial position of CCCGPA, Com. Radhakrishna informed that the Suratkal NIT pensioners' Association was dissolved and a portion of the funds remaining with the Association were paid to CCCGPA Karnataka. Hence CCCGPA could manage some expenses. However, we have more expenses at present as more programmes have to be conducted. Though two programmes are over, the next programme of a convention in August and Delhi Chalo in October are to be taken care of. He requested affiliates to pay an extra donation of minimum of Rs.1000/- as a special fund.
